OVERVIEW & OUTLINE ITINERARY

Come winter, Canada's classic French-Canadian city, Montreal, turns into a winter wonderland – making it an incredible contrast for people travelling from Central America during the Canadian winter months.

- | | |
|--------------|--|
| DAY 1 | Arrive in Montreal, Canada. |
| DAY 2 | Thermal Spa Day |
| DAY 3 | Depart Montreal for your next destination. |

ITINERARY

Renowned for its thriving arts scene, fantastic dining, striking architecture, urban nature and unique multicultural identity, Montreal astounds in winter with its Underground City. This 20-mile subterranean pedestrian complex is the largest in the world and offers locals the perfect escape from Montreal's challenging winters.

On this 3-day stopover, you'll have a day to familiarise yourself with the city with either a visit to the Underground City or a wintry stroll along the picturesque cobblestone streets of historic Old Montreal. Then, you'll spend an entire day relaxing and indulging at one of Canada's most exclusive thermal experiences just minutes from downtown Montreal at the Strom Spa Nordique Ile des Soeurs. From a selection of treatments and massage therapies to no less than seven different types of soothing thermal pools, you'll be truly pampered before continuing on your journey the following day.

From Montréal-Pierre Elliott Trudeau International Airport you can fly to Mexico City, Cancun, Los Cabos, Belize, Guatemala, Liberia, San Jose, Bogota and Cartagena.

Please note: this itinerary is only available to book as an add-on or extension to our holidays in Latin America and cannot be booked on its own. If you are interested in a holiday to North America, please visit our sister brand, Journeyscape.

DAY 1

Arrive in Montreal, Canada.

Arrive at Montreal airport and take a private transfer to your hotel.

A city that truly embraces its multicultural, French-Canadian identity, Montreal boasts a thriving arts and culinary scene, striking architecture and one of the most impressive concentrations of churches in the Western hemisphere. Drop off your bags and head out to explore.

We recommend visiting the 20 miles of the Underground City, the largest underground complex in the world. This is where locals spend their time during some of the coldest months of the year, and since you'll be visiting in winter, it's not to be missed.

DAY 2

Thermal Spa Day

Spend the day indulging in one of Canada's most exclusive thermal experiences just minutes from downtown Montreal at the Strom Spa Nordique Ile des Soeurs.

Overlooking the peaceful Lac des Battures, you'll get to choose between outdoor thermal baths, Temperate and Nordic baths, Finnish saunas, a Eucalyptus steam bath, Thermal and Nordic waterfalls, indoor and outdoor relaxation areas with fireplaces, a selection of treatments and massage therapies, and excellent seasonal cuisine during your visit.

DAY 3

Depart Montreal for your next destination.

Take a private transfer back to Montreal International Airport from your hotel.
